

Mini presentations

- 1) Search for some research or information on a topic within the range of topics for that section of the course.

<https://camosun.libguides.com/az/databases> APA Psyc articles is a good source

- 2) Provide a brief summary of the research by:
 - a) What was the topic – goal of the study?
 - b) What did they find?
 - c) What does this offer the topic ?
- 3) Provide a piece of music that support this study, one that was from the study or something that you think goes along with it

Please try to keep them to about 5 minutes of information and a 3 or so minutes of music
